

# Vishwajeet kumar

## Web Developer

Enthusiastic computer science undergraduate. Looking for a role, where I can grow and learn from experienced team members while drawing on project experience. Especially interested in web development as a full-stack developer. Proficient in various platforms, languages, and embedded systems. And have experienced with the latest cutting edge development tools and procedures like HTML, CSS, Javascript, Reactjs. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.
